

# THE HIGHLAND HOUSING REGISTER ARE YOU ON THE HOUSING LIST?

In 2008, a Highland Housing Register will come into place among Highland landlords including:

- Albyn Housing Society Ltd
- Cairn Housing Association
- Lochaber Housing Association
- Lochalsh & Skye Housing Association
- Pentland Housing Association
- The Highland Council

Instead of filling in application forms for each landlord you will only have to complete ONE form.

You will then be on a single list for all Highland's Landlords.

This also means that your application will cover a wider choice of houses, communities and landlords.

If you have a current housing application in place, early in 2008, you will automatically be sent a new application form for the Highland Housing Register. **If you want to stay on the housing list you must make sure that you return this form.**
