

Lochaber Care & Repair offers independent advice and assistance to help elderly and/ or disabled homeowners (or someone in the house who is) repair, improve or adapt their homes so that they can live in comfort and safety at home in their own community.

The service is available to owner-occupiers, private tenants and crofters who are aged 60 or over or who have a disability. Grants can be available from the local authority to fund the work.

Contact Maureen Cameron on
01397 706444 for further details.
